

Greer Middle College
MINUTES
January 8, 2007
Greenville Tech, Greer Campus

Terrell Tracy called the meeting to order at 4:00 p.m. Members attending were Darryl Cowan, Fred Crawford, Julie Gianelloni, Keith Jones, Mikelle Porter and Donna Yarborough.

After a change in wording requested by Mrs. Gianelloni, she made a motion that the minutes of the December 11, 2006 meeting be approved; it was seconded by Mr. Jones; and carried unanimously.

Mrs. Porter reported on her contact with the Greenville School District, specifically with Alex Martin. She presented documentation of telephone and email contact notifying Mr. Martin of our plans and inviting him to participate in the process.

Dr. Tracy asked for letters of support gathered by the committee.

The committee reviewed the completed grant. After discussion on the section about school district contact, the committee agreed that the verbiage would reflect that the district has been contacted and invited to participate.

Dr. Tracy distributed the revised brochure for Greer Middle College.

In discussing the timeline for preparing Greer Middle College Charter Application, the committee decided to have the first meeting in early February. Notification of the P&I Grant award should be made by February 1, 2007.

The meeting was adjourned at 5:15.
