

Greer Middle College Charter High School Student Service Hour Sheet

Name: _____ **School Year:** _____

Guidelines: Record service hours you complete and obtain signatures/ contact information from non-parental adult supervisors. Bring sheets to both SLCs.

- Students must complete 50 hours (minimum) of service per year (no more than 20 hours at/ for GMC). No “bonus” or “extra” hours should be given for “difficult” service.
- Hours for events must be rounded to the nearest .25 hour (15 minutes). A non-parental adult supervisor must sign for the hours; other students may never sign for hours.
- These hours must be voluntary/ unpaid, not done for the student’s immediate family, and not performed as part of a student’s duty for a club or organization.
- No more than 25 hours will be granted for a single event (i.e. a weeklong mission trip). Only hours specifically spent volunteering on trips can be counted.
- Students cannot purchase books or supplies for service hours (unless specifically noted otherwise for a charity or spirit week).
- Students cannot count hours spent on their senior project as service. Students can help with other seniors’ projects (events only) if they are designed to help the community/ charities. The senior project/ internship teacher or senior project committee chairperson must sign for these hours.
- Senior hours are due at the spring student-led conference. Students with fewer than 200 hours will be required to serve at GMC for the rest of the year to earn those hours.
- *Please note that GMC faculty/ administration will verify service hours with the contacts you list.*
